LANGUES

French: Native language
English: A2

LOISIRS

Sports: Weight training, Running
Programming: Python

PROFIL

Currently completing my studies in networking and telecommunications, I am looking to pursue a career in IT and systems and network infrastructure. With two years of experience at Constellium, I have developed solid skills in network administration, cybersecurity, and system deployment. Motivated and thorough, I am eager to put my technical expertise and commitment to work on new professional projects.

EXPÉRIENCES PROFESSIONNELLES

AOÛT 2024 À AUJOURD'HUI
CONSTELLIUM - NEUF-BRISACH
